Forecast For Wales
Issued by Met Office Exeter
at 1600 on Saturday 22 May 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Remaining unsettled with rain, at times heavy on Sunday.

This Evening and Tonight:
During the evening, it remains largely dry with clear spells across the country. Cloud building from the west overnight bringing scattered showers and strengthening winds. Minimum temperature 2 deg C (36 deg F).

Sunday:
A cloudy start with showers during the morning. Through afternoon rain, at times heavy pushes east accompanied by gusty winds. Turning brighter during the evening with scattered showers, locally heavy. Maximum temperature 12 deg C (54 deg F).

Outlook for Monday to Wednesday:
Sunny spells and scattered showers, locally heavy on Monday. Plenty of dry weather and sunny spells on Tuesday and Wednesday but with the chance of a few showers. Breezy.
